Whereas, in the letter 2nd read above, the Director of Medical Education has sent a proposal for appointment as Designated Professors in the Speciality of General Medicine in terms of G.O. 1st read above. The publications in indexed journals by faculty members were not mandatory and the publications were considered as only desirable qualifications till 22-07-2014, to get promotion. Later the publications were made mandatory from 23-07-2014 with publication credits given to First and Second Authors of publications in indexed journals. The publications are now continued as mandatory qualification and further modified from 5-6-2017, giving credits to First and Corresponding Authors till further guidelines from MCI.
